## Kindred Community Days Packed With Activities For ALL!

Annual Event Slated for August 9-11, 2024

Kindred Community Days is almost here! The hardworking volunteers of the Kindred Community Club (KCC) have been planning all year and are putting the final pieces of the puzzle into place to bring you another great, fun-filled weekend of exciting activities. This year's event will be held August 9 -11, 2024.

New to the lineup this year is a Sunday Kickball Tournament. Get your team ready TODAY!

2022 was the first year a Grand Marshal was added to lead the parade and the KCC has selected, amongst several worthy nominations, the **Kindred School Bus Drivers** as this year's Grand Marshals. On the roads - in good conditions and bad - before most are even awake, our school bus drivers take care to ensure kids get to school safe and on time. Thank you bus drivers!

Visit [KindredDays.com](https://KindredDays.com) TODAY and check back often for event details. You can also contact the KCC, sign up to volunteer, register for the 5k, car show, or parade, complete vendor registration, become a sponsor or donate to Kindred Days. Schedule of events and maps will be available soon when those details are finalized.

# Recycling Tote “Tagging” To Begin in August

Waste Management will begin “tagging” recycling totes in August similar to the images below. What does it mean if your tote receives a tag? Well, it means there were some problematic materials in your recycling tote. Recycling totes will have a label or tag affixed noting the issue to be corrected. It may not be picked up in the future, or WM may remove the tote altogether if issues continue to persist. Review, but please do not remove tags.

## How to avoid the tag:

**Know what’s recyclable** - study the flyer below for a list of items that belong in the recycling tote and what does NOT belong in the recycling tote. **Clean out food, drain out liquids** - even one item can contaminate the whole entire tote or truckload of recyclable materials. **Don’t bag recyclables** - toss items loosely into the recycle tote without a bag. Don’t hesitate to reach out to Waste Management with any questions.

### Children's Story Time
