Kindred 2022 Election News

VOTING SITE CHANGES

Time to vote, folks! As usual, Election day will be the second Tuesday in June. HOWEVER, it is important to note that Kindred City Hall WILL NOT be a voting site for Kindred residents on Election Day. Residents (and any registered Cass County voter) can vote early in person at Kindred City Hall on Wednesday, June 8 from 10:00 a.m. - 6:00 p.m. For additional early voting sites, or for Election Day voting sites, visit CassCountyND.gov.

ABSENTEE BALLOT

Residents also have to option to vote via absentee ballot. Ballots are only sent to citizens that have completed an application that has been verified by the Cass County Finance Office. You can obtain an application for absentee ballot at the Cass County Finance Office or download and print from the Cass County website. Upon receiving the completed application, the Cass County Finance Office will send a ballot. You must leave enough time for the Finance Office to receive the application, send you a ballot, and receive it back by the deadline of June 13. If returned via USPS, the ballot must be postmarked by June 13, 2022, or returned via secure drop box outside the Cass County Courthouse by 5:00 p.m. on June 13, 2022.

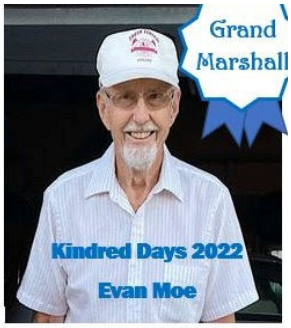
KINDRED COMMUNITY DAYS

GRAND MARSHALL

The Kindred Community Club has selected the first-ever Grand Marshall for the 2022 Kindred Day's Annual Community Parade. Evan Moe, long-time Kindred resident, was nominated early this year and has accepted the nomination to be Grand Marshall.



From teaching, coaching, volunteering, and serving the Kindred community in a variety of ways, Evan exemplifies what is most admired in Kindred - Kindness.

Evan has been a tireless supporter of students and athletes. As a Veteran, Evan has served us all and continues to do so through his volunteer work with numerous organizations throughout the years.

Please join us in celebrating and congratulating Evan's years of dedication to the community.

NEIGHBORLY NOTES

Nice weather is finally here! Here is some helpful and important information that City Hall receives frequent inquiries about which will help residents to be mindful, respectful, and courteous neighbors.

LAWN CARE

Be respectful of your neighbors by maintaining your lawn, trees, property, etc. Residents are required to maintain their lawns so that noxious weeds, unhealthful vegetation, and or grass (over 6" in height) are not allowed and considered a nuisance. Properties will be given one written notice per season and if the lawn is not maintained the city will take action to remedy any violations and assess any costs to the property.

CLEAN UP ANIMAL WASTE

Pet owners are required to clean up their animal's waste, not only in your own yard, but also in other spaces such as parks, city property, boulevards, and other people's yards.

PET LICENSING

The city will no longer be requiring residents to license their pets (cats/dogs). The city is revising the ordinance to eliminate the registration and fee. However, owners will still be required to have proper identification and up-to-date vaccination status for each pet.

LEASH/FENCE ANIMALS

Remember to either have your animals in a fenced enclosure or to have your animals leashed at all times in Kindred. Not only is it against city ordinance to allow your animals to run at large, it also isn't very courteous to neighbors.
